

Dear Practitioners or Clients:

Please note that the National Bank of Anguilla has implemented a US \$20.00 fee charged on all incoming wire transfers. Where payments are made to the Commission's account via wire transfer, please include the extra \$ 20.00 charge to facilitate the full payment to the Financial Services Commission as stated by the relevant Financial Services enactments.

Failure to provide the full payment to the Financial Services Commission account will result in an outstanding balance which may affect your standing with the Commission and the Commission may take action against the licensee as per Section 35(1) of the Financial Services Commission Act R.S.A.c.F28.

Your attention to this matter will be greatly appreciated.

Yours Truly

**Financial Services Commission
